## 2020 Educational Series

### **Medicare Skilled Documentation: Best Practices**

**DATE: Wednesday, October 14 2020**  
**Webinar: 9 a.m.-12 noon**

**The goal** of our program is to provide a formula for medical record entries that is easily adopted and will support the billing of Medicare Part A claims. How can we put a different twist on our traditional – but delicious - lemonade? Some suggestions include make it easy to obtain, more simple to prepare and an abundance to share with all. We are using this analogy to help describe an innovative guide to heighten the “why” and value of charting with simple steps for implementation of supportive SNF Medicare documentation.
